THE TRESLEBOARD IS BORN

Marvin A. Armstrong Masonic Lodge #187 now has it's own Quarterly Newsletter. If you want ANY information in the next issue, be sure to contact Chad or submit your article information using the CONTACT US form. **WATCH FOR IT IN THE NEXT ISSUE.**

WE NEED "STUFF"

Like ANY newsletter, we need "stuff". Not just any stuff. The stuff you like to read. So, if there's an event coming up you'd like to announce or an activity that took place that you'd like to SHARE – WE WANT TO HEAR ABOUT IT!

Any good newsletter contains EVERYTHING that keeps the reader's attention. Including: your favorite recipes (maybe) – your birthday (absolutely) – your recent trip (again YES) – an upcoming event (even MORE YES) – you get the idea! **GET YOUR STUFF TO CHAD TODAY!**

THE NEW WEBSITE IS ALIVE!

According to the "appointed" MAA187 webmaster, Bro Tom Spurgeon, the "new" Marvin A. Armstrong Masonic Lodge #187 is alive and doing well. According to Spurgeon, "there were a couple of tweaks we needed to make. As an example, the word "Masonic or Mason" was not associated with our name – when it came to a Google reference".

Spurgeon submitted new and updated information to Google and now the Marvin A. Armstrong "Masonic" Lodge (187) can be found in Google. Along with coordinating location, hours and contact information. The new website is designed to evolve as items are needed. As an example, the embedded Google calendar will assist in keeping all MAA187 members informed of ALL upcoming activities, as well as provide a (secondary) means of making an online membership payment. MORE INFORMATION TO COME ON THE DEVELOPMENT OF THE NEW WEBSITE. Take a look at <https://ksmasons.com>
